The winners of the Nordic Series Awards will be announced at an award ceremony on the evening of January 27, 2026.

Liselott Forsman, CEO at Nordisk Film & TV Fond says:

"Nordisk Film & TV Fond daily celebrates the excellence of Nordic drama quality through our top-financing schemes. Since no productions happen without the visions and skills of Nordic creators and writers, we yearly want to shed an extra spotlight on the talents behind outstanding drama series, one from each Nordic country. I want to thank the selected writers for their inspiring works, Göteborg Film Festival for our good collaboration, and our international jury for accepting the difficult task of selecting the Nordic winner."

**Cia Edström**, Head of TV Drama Vision at Göteborg Film Festival says:

"We're proud to once again celebrate some of the most talented screenwriters from the Nordics. The nominated series for 2026 vary in tone and style, but they share a common strength: bold, compelling storytelling that offers hope for the future of drama in the Nordics."

Additionally, the honorable mention, **Creative Courage Award**, celebrates the producer and commissioner of a series that boldly pushes creative boundaries and embraces innovation. The Creative Courage recipient is selected from admissions by the Nordic streamers and broadcasters.

The jury for the Nordic Series Script Award is **Agnes Kittelsen**, Actor, Norway; **Nanna Frank Rasmussen**, Journalist, Film and TV Reviewer, Denmark; **Henning Kamm**, Executive Producer and Managing Director, REAL FILM Berlin, Germany.
